REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record does not specifically disclose or remotely suggest

With regard to independent claims 1, 4, 7, 11, 14, 17, 20, 22, 24, and 26:

receiving formatted information from an agent associated with a device group comprising devices capable of running on a plurality of different platforms using a plurality of different protocols;

retrieving priority rules associated with the agent from a priority rule database; and

coalescing the formatted information based on the priority rules to generate an updated coalesced file.

In addition, Examiner points to the arguments of Applicant's representative (Appeal Brief arguments filed on 10/3/06; arguments filed on 2/7/06).

These limitations, in conjunction with the other limitations in the independent claims, are not specifically disclosed or remotely suggested in the prior art of record.

A review of claims 1 – 27, in view of the Examiner's arguments above, indicates that claims 1 – 27 are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
